"Let the little children
come to me."

Our children are a gift
from God!
They are given to us for a
brief time
to love,
to teach,
and to form into
men and women
who are in love
with their God.

OUR LADY
of
PERPETUAL HELP
CHURCH - A Parish
Community

invites
our little ones
to learn,
and pray
together
in Little Church.

Little Church will give our
children the opportunity to
learn, sing, and pray
together as a part of the
parish community. The
materials used will focus
on the Sunday Scripture
Readings. By praying
together we will begin to
shape them as young
Catholic children who are a
part of the OLPH Parish
Community.

Our young parishioners
have an opportunity to
learn about Jesus and the
stories in the Bible in an
environment that is suitable
for them. Attending Mass
can be very difficult for
some young children
because they cannot
understand what is
happening. In these early
years, we can give them a
foundation so that when
they are 6 & 7 they can
begin to attend Mass on a
regular basis with their
families.
